

## **National School Governors' Awareness Day – 12 February 2026**

On behalf of everyone at SHINE Multi Academy Trust, we would like to take this opportunity to say a heartfelt thank you to each and every one of our volunteer governors.

National School Governors' Awareness Day gives us a valuable moment to recognise and celebrate the vital role you play across our Trust. Your contribution reflects our Take Care values in action, particularly your commitment to taking care of others through thoughtful oversight, constructive challenge and support for our schools and leaders.

Through this dedication, challenge and support, you help ensure that strong governance underpins inclusive and high-quality education. You give your time, expertise and thoughtful leadership generously, often alongside busy professional and personal lives, and your contribution makes a real and lasting difference to the experiences and outcomes of children and young people across our communities.

Please know that your commitment does not go unnoticed.

Thank you for everything you do, for the care you show, and for the difference you make. We are incredibly proud of our governors and deeply appreciative of your continued commitment to our shared mission.

With our sincere thanks

The SHINE Board and Central Team
